

Time matters. Repairs matter more.

Power Grid Supply stocks the parts you need, when you need them, where you need them. With Hotshot Delivery and expanded inventory, PGS helps get your customers back up and running by delivering the products and materials field service technicians need on-site with minimal downtime. Our 24/7 customer service ensures you have access to technical expertise and support whenever you need it.

Field Service Technicians

Get the Support You Need with PGS

At Power Grid Supply, we understand the unique challenges field service technicians face. Whether you're in need of common items like pressure release devices (PRDs), drain valves, or pressure release gauges, or require specific materials such as FR3 fluid, mineral oil, gasket material, and LTC contact kits, PGS sources items from top suppliers such as Qualitrol, Cargill, Cooper Eaton, Hubbell and many more. Hotshot Delivery from PGS gets your materials directly to your site fast, making fixes quick, easy, and keeping your customers happy.
